Subject: New Hill's Distributor for Estonia

Dear Valued Business Partners,

We appreciate your interest and trust in Hill's pet food products.

We are pleased to announce that with effect as of 1 July 2018 we have appointed Magnum Veterinaaria as our new distributor of Hill's Prescription Diet and Science Plan products in the territory of Estonia.

A dedicated team of Magnum Veterinaaria will be fully available to address any inquiry you may have about our premium products and will also provide you with all details about our new product launches and all useful educational, marketing and promotional information.

We would also like to thank our former distributor in Estonia Optimer LTD for the previous cooperation.

We are convinced that through the cooperation with our new distributor Magnum Veterinaaria we will successfully fulfil together our mission: to help enrich and lengthen the special relationships between people and their pets.

Sincerely,

Arnaud Brel
